PROFILE

I am a Computer Science student at King Abdulaziz University with a strong foundation in software development and problem-solving. I have experience with multiple programming languages and a solid understanding of data structures, algorithms, and modern development practices. As a Full-Stack Developer, I have expertise in building web applications using technologies such as React and Node.js. I am eager to contribute to impactful projects, collaborate with talented teams, and build solutions that make a difference through technology.

EDUCATION

2021 – present **Bachelor's Degree in Computer Science**, king Abdulaziz University
Jeddah, Saudi Arabia

SKILLS

OO Programming	● ● ● ● ●	Develop 2D games	● ● ● ● ●
		making 2D games in Godot Engine	
Web Development	● ● ● ● ●	Critical thinking	● ● ● ● ●
Good experience with React, and Node.js.			

ACHIEVEMENTS
